WELCOME TO HUSTLER COUNTRY

Welcome to Hustler Country!

A place where people earn their keep. In Hustler Country we build mowers that last. Mowers not afraid of a little hard work.

We develop new products and improve existing ones - it's a source of pride. And it's that pride, plus our hard work and our ingenuity, that come together to create the most innovative, hard-working outdoor power equipment solutions for you.

IMPROVING LIFE & LAWN CARE

In 1964, Hustler introduced the world's first twin-lever zero-turn lawn mower. Today, the twin-lever design created by Hustler is used by most zero-turn manufacturers. With a jump on the competition, Hustler quickly began improving the original design by implementing a rigorous R&D program to engineer, test, and push the envelope on what was possible with a zero-turn mower for the commercial market.

In 2012, Hustler took these years of innovation and experience with commercial equipment and put that knowledge into a residential zero-turn mower called the Raptor™. The success of the Raptor led to a complete series of Raptor models, and eventually spun off the Dash™ Series.

Today, homeowners rely on Hustler equipment for its durability, reliability and professional cut quality. They also depend on our quality customer service, product warranties and our Australia-wide network of servicing dealers.

THE HUSTLER™ ADVANTAGE

SMOOTHTRAK™ STEERING

Developed over decades of experience. Precision control designed to help trim and manoeuvre easily around obstacles.

INTEGRATED PARK BRAKE

Hustler was the first to integrate the parking brake into the twin-lever design. This design was patented for years and continues to be a great safety measure for operators.

FABRICATED DECKS

Our fabricated welded-steel decks are designed to handle harsh conditions. Heavy-gauge steel and reinforced impact areas help prolong the life of the deck.

TOUGH FRAMES

Fabricated welded-steel frames, thick front axles and forks with heavy-duty caster yokes help your mower last for years. Our frames are tested for thousands of hours on concrete test tracks with inclines and embankments.

SIMPLE DESIGN

More engineering doesn't always mean more parts or more complexity. Quite the opposite. We engineer our mowers for easy serviceability with flip-up seat pans, removable floor pans, and vented pulley covers.

PRECISION CUT QUALITY

Our decks are not only tough, but engineered to give homeowners a clean, crisp cut. This comes from decades of learning how the airflow inside the deck stands grass blades up during the cut. Make your neighbors jealous with a beautifully manicured yard and well-defined stripes.

DASH XD

The Dash XD is Hustler's most compact residential mower designed for smaller property owners. The smaller design makes it ideal for garage storage and fitting through tight spaces like fence gates. One piece fabricated frame and welded steel deck come standard along with bolstered seat, Kawasaki® power & BigBite™ tyres.

Engine	Deck Sizes Available
15HP* - Kawasaki FR541	34", 42"

✔ 2yr / 200hr residential warranty**

DASH XD

Fabricated Steel Frame
1"x 2" fabricated steel frame making it tough and durable.

Foot-Operated Deck Lift
Easily adjust the deck height between 1.5" - 4.5".

Welded Fabricated Steel Deck
11 ga. welded fabricated steel deck adds durability compared to a stamped deck.

Bolstered Seat
Bolstered with built-in lumbar support.

18" BigBite™ Rear Tyres
We worked directly with the tyre manufacturer on this design.

Compact Size
Easily fits through most gates to tackle fenced-in backyards. The small footprint makes it ideal for storing in a garage.

Kawasaki® Power
V-Twin Kawasaki® engine

Standard Engine Guard

RAPTOR

SERIES

RAPTOR SERIES SHARED FEATURES

- 1 Welded Steel Deck**
Welded fabricated steel deck helps add durability and can extend the mower's life.
- 2 Wide Stance**
Designed to provide ample room adding to the comfort for the operator.
- 3 SmoothTrak™ Steering**
Precision control designed to help trim and manoeuvre easily around obstacles.
- 4 Bolstered Seat**
Helps provide a comfortable ride with armrests and airflow to the back.
- 5 Rubber Floor Mat**
Helps provide comfort by minimising vibration on the operator's feet. Standard on all Raptor models.

- 6 Fabricated Frame**
Continuous one-piece 1½ inch by 3-inch welded tubular frame.
- 7 Foot-Operated Deck Lift**
Easily adjust the deck height between 1.5" - 4.5".
- 8 Easy to Service**
Flip-up seat pan, removable floor pan, vented pulley covers.
- 9 Exclusive BigBite™ Rear Tyres**
We worked directly with the tyre manufacturer on this design. You will not find them on other brands.
- 10 Kawasaki® Power**
Powered by a V-Twin Kawasaki® engine.

RAPTOR
X

The legendary Raptor X packs all the performance and reliability Hustler is known for into a simple and durable design. We engineer our mowers to be maintenance and service friendly for the everyday homeowner. From the frame to the deck to our trademark steering, the Raptor X delivers excellent cut quality for a well manicured lawn. We've put thousands of hours of R&D and testing into the Raptor Series, which is why it's backed by a 3yr / 300hr warranty**.

Engine	Deck Sizes Available
21.5HP* - Kawasaki® FR651	42"
23HP* - Kawasaki® FR691	54"

✓ 3yr / 300hr Residential Warranty**

Bolstered Seat
Helps provide a comfortable ride with armrests and airflow to the back.

Kawasaki® Engine
Powered by a V-Twin Kawasaki® Engine.

Exclusive BigBite™ Rear Tyres
We worked directly with the tyre manufacturer on this design. You will not find them anywhere else.

BUILT FOR ALL DAY, EVERYDAY PERFORMANCE

Whatever your daily hustle, you need equipment that's Built to Work. Long days and rough conditions can take their toll, and when you rely on your equipment to earn a living, downtime is costly and inconvenient. That's why every Hustler mower is Built to Work, not built to a price. Hustler mowers front up day after day, year after year, ready to work hard.

For a better built mower that's got your back, and your back pocket, you can't beat Hustler.

EXCLUSIVE COMMERCIAL FEATURES

HYPERDRIVE SYSTEM

Reducing the temperature of the oil in your wheel motors is key to extending the life of your hydraulic system. Hustler's exclusive HyperDrive system helps do just that with temperature regulation and tough components designed to keep your mower at peak performance. Available on the Super Z HyperDrive and Super 104 models.

VX4 DECK TECHNOLOGY

The VX4 Deck combines four performance features to help provide a quick, clean, and professional looking cut: Versatility, Velocity, Vacuum and Volume. The combination allows professionals to move grass through the deck efficiently and consistently. Available on the X-One, Super Z & Super Z HyperDrive models.

COMMERCIAL-GRADE ENGINES

The Hustler Commercial range features commercial-grade, heavy-duty Kawasaki® engines that are built for the toughest jobs.

ROLLOVER PROTECTION SYSTEM (ROPS)

Hustler Commercial Zero Turns include a Rollover Protection System (ROPS) to keep you safe when mowing on difficult terrain. Available on Hustler Commercial Zero Turns.

I3M™ SUSPENSION SEAT

The high-back I3M™ seat features adjustable armrests and a 3-inch travel range giving you maximum comfort all day, everyday.

UNMATCHED WARRANTIES

Hustler Mowers are built to the highest of standards. That is why our warranties across the commercial range include no hour limits* to give you added peace of mind for years to come.

*No hour limit commercial warranties available on the X-One, Super Z & Super Z HyperDrive models.

FASTRAK SERIES

FASTRAK & FASTRAK SDX SHARED FEATURES

1 Magnetic Top Pin Deck Lift System
Adjust the deck height between 1.5" -4.5" with your foot.

2 SmoothTrak™ Steering
Precision control designed to help trim and manoeuvre easily around obstacles.

3 Cast Deck Hangers
Designed to help improve durability.

4 Front and Rear Tie Downs
1.5" x 3" tubular steel fabricated frame with front and rear tie downs.

5 Easy Serviceability
Flip-up seat pan, removable floor pan, and toolless removable pulley covers to make maintenance easy and simple.

6 Less Clutter Under Seat
Provides airflow aiding in keeping transmissions cooler.

7 Transmissions
Serviceable Hydro-Gear® Transmissions.

8 Welded Steel Deck
10 ga. welded fabricated steel.

9 BigBite™ Tyres
Excellent traction designed not to tear up turf. We worked directly with the tyre manufacturer on this product.

FasTrak model pictured above.

FASTRAK

The FasTrak series is ideal for business owners who demand more from their zero turn mower. Features like the 4 year commercial warranty, fabricated steel decks, commercial-grade Kawasaki® V-Twin engines and strong Hydro-Gear® ZT-3200 transmissions will have you mowing for longer. Safety is covered with standard roll over protection bar, while the seating position has been designed with operator comfort in mind.

Engine	Deck Sizes Available
22HP* - Kawasaki® FT691	48"

X-ONE

The X-ONE is built for the full-time commercial landscaper to provide all day, every day performance. The 54" or 60" cutting decks offer flexibility, making this model suited to both large area mowing and jobs where narrower access is required. The VX4 Deck technology is engineered for extreme vacuum to efficiently draw grass and leaves up into the mower blades resulting in a consistent cut for all grass types including thin dry grass.

Engine	Deck Sizes Available
27HP* - Kawasaki® FX850	54"
29.5HP* - Kawasaki® FX850 EFI	60"

✓ 5yr / 1200hr Residential & 2yr / no hour limit Commercial warranty**

VX™ Deck
Fabricated 7 ga. steel engineered for extreme vacuum to deliver an excellent after cut appearance.

I3M™ Suspension Seat
High-back seat with adjustable armrests and 3-inch travel range.

SUPER Z

Power meets productivity with the Super Z Series. With ground speed up to 22.5 km/h, the Super Z offers a great compromise between high productivity and compact size, while the dual fuel tanks up to 45 litre total capacity means less stopping and more mowing. The cutting deck options offer super flexibility, making this range suited to both wide area applications and jobs where a narrower machine is required.

- 1 VX4 Deck**
Fabricated 7 ga. steel deck engineered to help move grass at high speed while maintaining cut-quality.
- 2 Foot-Operated Deck Lift**
Easily adjust the deck height between 1" - 5.5" with your foot.
- 3 I3M™ Suspension Seat**
High-back seat with adjustable armrests and 3-inch travel range.

SUPER S

When access and manoeuvrability are paramount, you can rely on the Hustler Super S stand on commercial mower. With an astounding 6 year / 1000 hour commercial warranty, this is one stand on mower that is built to work. The fabricated 7-gauge deck is 36" wide to give access through gates as narrow as 1 metre. The small footprint compared to a seated zero turn mower makes the Super S perfect for getting in and around garden beds, trees and other obstacles.

- 1 Pulley Covers**
Toolless removable pulley covers for easy maintenance.
- 2 Park Brake**
Hand-operated lever to set the park brake.

- 3 Cut Height Adjustment**
Hand-operated lever and pin to adjust deck/cutting height.
- 4 Wide Operator Platform**
For mowing comfort and operator stability.
- 5 Adjustable Foot Platform**
Spring loaded suspension platform designed for all day comfort.
- 6 Service Friendly Design**
Designed to make maintenance and service fast and easy.
- 7 Adjustable Speed Controls**
Allows you to go at your own pace for control. Also helps with training new operators.

Available across the Residential and Commercial Range (2-bag catcher shown).

3-BAG POWERED CATCHER

Available on X-One, Super Z and Super Z HyperDrive models.

STEEL SIDE CATCHER

Available on Raptor XDX, FasTrak, FasTrak SDX and Super S.

BACVAC

Electric actuated DFS bagger system. The BACVAC has a 10-bushel capacity. Available on X-One, Super Z and Super Z HyperDrive models.

MULCH KIT

Recycles clippings back into the soil to reclaim nutrients for your lawn. Available across the Residential and Commercial Range (excludes Super 104).

FLEX FORKS®

Designed to provide operator comfort and an even cut, especially over uneven terrain or at high speeds. Available on the Residential and Commercial Ranges (excludes the Dash XD and Super S models).

STEERING EXTENSION KIT

Allows for height adjustment of steering levers to help make your mowing experience as comfortable as possible. Available on the Commercial Range (excludes Super 104 and Super S).

LIGHT KIT - RESIDENTIAL

Help extend productivity into late hours. Kit contains two LED lights. Available on the Residential Range.

HITCH KIT

Add a hitch receiver to your mower. Available on Raptor X, Raptor XD, Raptor XDX, X-One, Super Z, Super Z HyperDrive and Super 104.

SEMI-PNEUMATIC TYRES

Designed to help protect against flat tyres. Available on the X-One, Super Z and Super Z HyperDrive.

STRIPE KIT

Helps provide a professional, manicured finish to your lawn. Available on Raptor X, Raptor XD, Raptor XDX, FastTrak and FastTrak SDX.
